Pediatric Grand Rounds**Pediatric Grand Rounds - 4/21/2022****April 21, 2022****8:00 AM****Primary Children's Hospital**

There is no charge for this educational activity

Target Audience

This program has been designed for the following professions and practice areas: Physician, Administrator, Advanced Practice Provider, Nurse, Nurse Practitioner, Nurse-Administrator, Nurse-Clinical, Other Medical Personnel, Pharmacist, Student, Physician Assistant, Pediatrics, All Specialties

Session Educational Objectives

After completing this educational activity, participants should be able to:

- 1 Discuss advances and their implementation in pediatric clinical practice, research, medical education, patient safety, quality improvement, collaboration, and health equity.**
- 2 Identifying and providing for the professional education needs of physicians, nurses and other health care professionals, particularly in the areas of preventive health care, diagnosis and therapy, mental health, recent advances in medical science new technology, and the quality, safety, availability and cost of health care delivery.**
- 3 Promoting the identification and coordination of care of infants, children, adolescents or families requiring specialty services.**
- 4 Promoting efficient, effective delivery of patient care in accordance with safe, evidence-based clinical practice.**
- 5 Disseminating research and advancements in the art and science of pediatrics to the primary care and subspecialty practitioners.**
- 6 Incorporating continuing improvement into the continuing education process.**
- 7 Incorporating contemporary instructional techniques and technology to enhance presentation and facilitate learning.**
- 8 Assessing the effectiveness of our educational endeavors in terms of application of new knowledge, or improvements in clinical practice.**
- 9 Devise appropriate interventions to ensure quality delivery of services to diverse populations through consideration of social and cultural influences on beliefs and behaviors; including how these factors interact on multiple levels within the healthcare system.**

After completing this educational activity, nurses should be able to:

- 1 Participants will self-report an increase in knowledge regarding pediatric evidence-based research, practice and care models.**
- 2 Participants will self-report that they will implement one change to their practice or performance as a result of attending Pediatric Grand Rounds.**

Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Intermountain Healthcare's Interprofessional Continuing Education Department for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity. For this purpose, we consider relationships of the person involved to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Intermountain Healthcare certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Interprofessional Continuing Education Department (IPCE) have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Neither the speaker(s), planner(s) nor anyone in control of content for today's accredited RSS have any relevant financial relationship(s).

The Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center's Commission (ANCC) standards and guidelines require that individuals participating in CE activities are aware of commercial interests that could potentially affect the education presented. Intermountain Healthcare adheres to the ACCME and ANCC Standards regarding industry support of continuing education and disclosure of faculty and commercial sponsor relationships (if any) will be made known below.
