Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Intermountain Health’s Interprofessional Continuing Education Department for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity.

The intent of this policy is to ensure that Intermountain Health certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Interprofessional Continuing Education Department (IPCE) have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Neither the speaker(s), planner(s) nor anyone in control of content for today's accredited RSS have any relevant financial relationship(s).

The Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center’s Commission (ANCC) standards and guidelines require that individuals participating in CE activities are aware of commercial interests that could potentially affect the education presented. Intermountain Health adheres to the ACCME and ANCC Standards regarding industry support of continuing education and disclosure of faculty and commercial sponsor relationships (if any) will be made known below.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
