

Pediatric Grand Rounds - 5/28/2026
May 28, 2026
8:00 AM
Primary Children's Hospital

Claim Credit Code: 52537

There is no charge for this educational activity

Target Audience

This program has been designed for the following professions and practice areas: Administrator, Advanced Practice Provider, Nurse, Nurse Practitioner, Nurse-Administrator, Nurse-Clinical, Other Medical Personnel, Pharmacist, Student, Physician Assistant, Family Medicine, Pediatrics

Session Educational Objectives

After completing this educational activity, participants should be able to:

- 1 Discuss advances and their implementation in pediatric clinical practice, research, medical education, patient and employee safety, quality improvement, collaboration, diagnostic accuracy, and health equity.**
- 2 Identify and provide for professional education needs of physicians, nurses and other health care professionals, particularly in the areas of preventive health care, diagnosis and therapy, mental health, recent advances in medical science new technology, and the quality, safety, availability and cost of health care delivery.**
- 3 Discuss the identification and coordination of care of infants, children, adolescents or families requiring specialty services, especially those with medical complexity.**
- 4 Review the efficient, effective delivery of patient care in accordance with safe, evidence-based clinical practice.**
- 5 Examine research and advancements in the art and science of pediatrics to the primary care and subspecialty practitioners.**
- 6 Design active learning and contemporary instructional techniques and technology to enhance presentations and facilitate learning.**
- 7 Assess the effectiveness of our educational endeavors in terms of application of new knowledge, or improvements in clinical practice.**
- 8 Devise appropriate interventions to ensure quality delivery of services to diverse populations through consideration of social and cultural influences on beliefs and behaviors; including how these factors interact on multiple levels within the healthcare system.**

After completing this educational activity, nurses should be able to:

- 1 Participants will self-report an increase in knowledge regarding pediatric evidence-based research, practice and care models.**
- 2 Participants will self-report that they will implement one change to their practice or performance as a result of attending Pediatric Grand Rounds.**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Health, Intermountain Children's Health, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Health is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit

Intermountain Health designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Accreditation

Intermountain Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This live activity offers a maximum of 1.00 nursing contact hours. This activity is jointly provided by Intermountain Health, Intermountain Children's

Health, and the Department of Pediatrics at the University of Utah School of Medicine. Successful completion is attendance at the entire event.

Acknowledgement of Commercial Support*

No commercial support is being received for this event

Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Intermountain Health's Interprofessional Continuing Education Department for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity.

The intent of this policy is to ensure that Intermountain Health certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Interprofessional Continuing Education Department (IPCE) have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Neither the speaker(s), planner(s) nor anyone in control of content for today's accredited RSS have any relevant financial relationship(s).

The Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center's Commission (ANCC) standards and guidelines require that individuals participating in CE activities are aware of commercial interests that could potentially affect the education presented. Intermountain Health adheres to the ACCME and ANCC Standards regarding industry support of continuing education and disclosure of faculty and commercial sponsor relationships (if any) will be made known below.

All relevant financial relationships have been mitigated. For information on this process, please contact the IPCE department at 801.507.8470 or email IPCE@imail.org.

Relevant financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefits. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected.

****You must claim credit within 48 hours of the session. Physician faculty may not claim credit as a participant for their own presentations, but may claim credit for other segments they attend as a participant****

****The purpose of the on-site CME is to improve the quality of care provided to hospital patients. The CME is intended to be primarily for the benefit of the hospital's patients. The participant agrees that, when providing services to hospital patients, the participant will use what he or she has learned from the CME to improve the care that is provided to hospital patients, thereby benefiting hospital patients***
