

2022 Cardiothoracic Surgery Symposium

Friday, January 14th, 2022

General Thoracic Conference
2:00 – 5:00 p.m.

Saturday, January 15th, 2022

Cardiovascular Surgery Symposium
7:00 – 10:00 a.m.

REGISTER NOW

EDUCATIONAL OBJECTIVES

The purpose of this symposium is to discuss current therapies in cardiovascular and thoracic surgery, describe Intermountain team-based care, and identify clinical areas for outcome improvements. The mission is to provide a participatory forum for cardiovascular clinicians to share the profession's evidence-based ideas and methods that can be used for team-based quality improvement and value-based care.

COURSE DIRECTOR

John R. Doty, MD

TARGET AUDIENCE

Advanced Practice Providers, Nurses, Physicians, and all healthcare professionals caring for patients with cardiovascular conditions.
