Donald M. Null Jr., MD, FAAP*
Professor, Neonatology

Conference will take place at
Primary Children's Hospital* -

Eccles Outpatient Building
81 N Mario Capecchi Drive
Salt Lake City, UT 84113

*Virtual Viewing Options Available

Conference Description

During the period of transport, critically ill neonates and children are at risk from disease, injury, and the transport itself. This risk can be minimized by good communication between the referring and receiving providers, careful evaluation and management, anticipation of complications, and a well-equipped and well-trained team. This two-day course provides a comprehensive approach to clinical issues related to neonatal and pediatric transport. The optional pre-conference offers a morning session of adult lectures and an afternoon procedure lab.

Keynote Speaker

Amberley Snyder is a barrel racer and inspirational speaker who has fought her way back from tragedy. Amberley now is inspiring thousands across America by telling her inspirational story and competing in rodeos across the western United States. She has let the challenges she faces refine her, not define her.

Life Flight Annual Memorial Speaker

David Weber, BS, FP-C has worked as a helicopter rescue technician, remote paramedic, and technical rescue skills instructor for over two decades. He currently divides his year working as a climbing ranger in Grand Teton National Park and as a flight paramedic and hoist rescuer for Intermountain Life Flight. Dave lives in Park City, Utah with his wife and daughter during the fall, winter and spring months and transitions to Jackson, Wyoming each summer for the climbing rescue season.

Planning Committee

Tammy Bleak, MBA-HM, BSN, RN, C-NPT (Director)
William Beninati, MD
Christopher Benitez, MSHS, RRT
Audrey Bramwell, BSN, RN, C-NPT
Linda Chatwin, BSN, RN, C-NPT
Andrea Clement, MBA, MSN, RN, C-NPT
Mary (Molly) L. Duberow, BSN, RN, CCRN

Ryan Heiner, AS, FP-C, EMT-P
Allison (Hallie) A. Keller, MD (Co-Director)
Gina Honey, BSN, RN, C-NPT
YaVonne Liljenquist, BSN, RN, CCRN
Lori McBride, BSN, RN, CCRN
Laurie Merrick, BSN, RN, C-NPT

— 44th Annual —
Current Concepts in
Neonatal and Pediatric
Transport Conference
2022

Objectives

Upon completion, the participant will be able to:

- Provide clinical care consistent with current guidelines of practice for specialty team transports
- Demonstrate assessment and stabilization skills for the care and management of critically ill patients
- Outline management options for specific clinical disease states
- Discuss limitations and effects of the transport environment on the patient

About us

Intermountain Life Flight delivers specialty care throughout the United States to infants, children, and adults via jet, fixed wing, rotor wing, and ground ambulance. We are Utah's only dedicated pediatric transport team.

Nursing Credit

Intermountain Healthcare is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation. This activity is being jointly provided by Intermountain Healthcare, Primary Children’s Hospital, the Department of Pediatrics at the University of Utah School of Medicine, and Intermountain Life Flight. This live activity offers a maximum of 14.75* nursing contact hours. An additional 7.5* nursing contact hours are available for the optional pre-conference workshop. Successful completion is attending no less than 1 full session and claiming credit only for sessions attended.

Respiratory Care Credit

Primary Children’s Hospital has submitted an application for 18.75 hours to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists. Please provide AARC membership number during registration process.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Primary Children’s Hospital, the Department of Pediatrics at the University of Utah School of Medicine and Intermountain Life Flight. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Credit

Intermountain Healthcare designates this live activity for a maximum of 14.75* AMA PRA Category 1 Credit(s)™ for the Main Conference and an additional 7.5* hours available for the optional pre-conference workshop. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Target Audience

Advanced practice providers, nurses, paramedics, physicians, and respiratory therapists, who have training in the transport of neonatal and pediatric patients to tertiary care centers.
